J. Lee Rankin, Esq.
Chief Counsel
The Presidential Commission Investigating the
Assassination of President Kennedy
Washington, D. C.

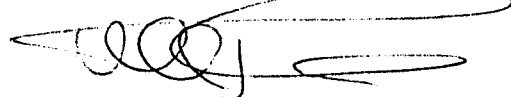

Re: Mark Lane, Esq.

Dear Mr. Rankin:

Confirming our telephone conversation of July 30, 1964, you have advised, in response to our inquiry, that investigation by this office consisting of an examination of the transcript of the tape recording of an alleged conversation between the above named attorney and a Mrs. Helen Markham; an inquiry into the circumstances surrounding the making of that tape recording; and an inquiry into the truthfulness of the attorney's testimony before the Warren Commission concerning the said recording and the substance of the matters discussed therein; would not interfere with the work of the Commission.

Thank you for your cooperation.

Very truly yours,

Michael Franck
