Dear Harold,

I received, today, your package of 33 tape cassettes and I want to thank you very much for that very nice gesture on your part..much appreciated to say the least. Lane visited my house for three hours the other day and he really flipped when he saw my immense compilation of tapes and printed documents..he was overwhelmed by it all.. especially the tapes and also was very impressed and surprised when he saw my massive Select Committee On Assassination files, all of which are in chronological order from day one to the present time. He selected 238 pages of these documents for me to make copies for him and send it to him, telling me to bill him for the cost and I said, "Oh no! that I wouldn't do that unless he paid me for that cost NOW!! (After the hotel bill incident, I wont make that same mistake of trusting him again). Can you blame me? I think not. I knew he had a profound interest in obtaining these documents so he paid me \$40 CASH and that was it. I've since mailed these to him in California. He's such a conniver, but I'm wise to his game now.

Enclosed find tapes and copies of Blakey's letters to some of my following in California who sent them to me. The tapes (more to follow this package to you) are as follows, and I think you'll find them interesting:

- TAPE # 1 side 1... ABC-TV 5 day documentary on King case with interviews of James Earl Ray.. recorded by me in ABC-TV studios with the consent of Bob Weiner, producer with John Johnson, ABC news.  
side 2..I interview Lane in Memphis, Tenn, on April 4, 1978 re developments there re King assassination meetings, etc.
- TAPE # 2 side 1.. April 6, 1978..Mark Lane/Dick Gregory speeches (I copy only Lanes speech and question and answer portions by Lane) at Fordham University in the Bronx)..this is continued on side 2 of this tape # 2.  
side 2.. continuation of above..cont. on tape 3, side 1
- TAPE # 3 side 1.. continuation of above Lane speech, then questions/answers.
