Emph. "Earl Warren & his colleagues"

— "Took me a year & a half to read through these 26 volumes. But took less than that time - but was up to 26 vols. int.

Having a big sleep. may look out & all letters written to paper first before Lins' done nothing in his int in more detail in some TV radio interviews not completed - only some

4, or 5 citations - redundant - no more than, if as many as, mine.

Babe story not complete & have gone it several up to Epstein,

was in material - but not 26 vols. - cannot be true, Jerry Brill - up to his own collection.
