copy for Harold

Dear Andrew and Linda Winiarczyk

I was given your names and address by my good friend Harold Weisberg as someone I may be able to buy some hard to find and out of print books on the JFK assassination from.

I will list the titles and authors below. Please let me know whether you are able to supply any of the titles and I will send you back the money immediately for books and packaging/postage costs. Where there may be a choice of editions, I would prefer to buy a hardback over a paperback and where appropriate a revised edition in preference to a first edition.

1. "Presumed Guilty" by Howard Roffman publ. Rutherford N.J. 1978, Furleigh Dickinson University Press
2. Presidential (Warren) Commission Report reprinted recently, offset from original copy by Dalton
3. "6 Seconds in Dallas" by Josiah Thompson publ. Bernard Geis Associates, Berkley 1976
4. "Inquest" by Edward J. Epstein publ. Bantam 1966
5. "Who was Jack Ruby?" by Seth Kantor publ. Everest House 1978, or by Zebra in 1992 as "The Ruby Cover-up"
6. "Conspiracy" by Anthony Summers publ. by Paragon House 1989 (revised edition)
7. "Secret Team" by L. Fletcher Prouty Publ. by Institute for Historical Review
8. "Best Evidence" by David Lifton publ. by Carroll & Graf, 1988

I look forward to hearing from you.

With best wishes and greetings from New Zealand ('Aotearoa' in Maori)

Yours faithfully
