MURKIN

The Postal Inspector, Los Angeles, California, made available a letter mailed to Patricia E. Anderson, 2/17/68, in Los Angeles. The letter was written as a result of Anderson's inclusion in a list called "The Local Swinger" which is compiled by a correspondence club. The letter is as follows:

"Dear Miss:

"I am ansering your listing in The Local Swinger since I think I share most of your interest, with emphasis on French cult. and swing sessions. I have just returned from Mexico after five yrs. and the few females I have met don't go for the swing parties and it takes two to swing. The same routine gets boring, don't you think. Will close until I here from you.

RE: MURKIN

Owners of "The Local Swinger" recall that Galt had sent one dollar for a list of swingers and subsequently submitted five letters for transmittal to persons identified on the list by symbol number. No record is maintained that would identify the persons to whom the subject wrote.

Each office receiving this communication should check with postal authorities and other sources which might have information regarding the existence of similar type "swinger" or "lonely hearts" type clubs or organizations in your areas in order to develop any information as to whether Ray, under any of his known aliases, may have contacted any such club and pursue any pertinent information developed. Each office should bear in mind that as a result of investigation conducted in Los Angeles, there was obtained the photograph of subject showing him in business suit, seated, which has been described as an excellent likeness.

Subject armed and dangerous.

NOTE:

Postal Inspector, Los Angeles, California, made available a letter mailed to Patricia E. Anderson, 2/17/68, at Los Angeles. The letter was a result of Anderson's inclusion in a list called "The Local Swinger." The letter was signed Eric S. Galt and the owners of "The Local Swinger" recall that Galt had sent one dollar for a list of swingers and subsequently submitted five letters for transmittal to persons. Checking this matter out further, we obtained a most recent photograph of subject Ray which people describe as an excellent likeness. In view of the fact that Galt submitted correspondence for a local swinger group, the offices of Atlanta, Birmingham, Memphis and New Orleans are being requested to make inquiry with postal inspectors to determine if subject could have contacted a similar type club. These offices cover the known metropolitan areas in which subject resided since his escape, except Los Angeles.
