

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, LOS ANGELES (44-1574)

DATE: 4/14/68

FROM : SA VINCENT J. HORN, JR.

SUBJECT: MURKIN

At 7:45 am above date, Supv. Ed McDonough, Division 6 at the Bureau called and advised as follows:

He wants the new composite photos as described by Vernon to be forwarded by air today via pilot to Atlanta, Birmingham and Memphis.

When reinterviewing Charles Stein, Rita Stein and Marie Martin they should be questioned as to whether or nor Galt made any phone call from their rooms or received any phone calls in their room. Also inquire at desk at St. Francis Hotel re phone calls made by Galt or to Galt if not already done.

The photograph of the zipper bag and of the bedspread should be shown to the above individuals, to see if they can identify the items.

He asked that the reinterviews of these individuals be thorough and penetrative. Also asked whether or not Stein took more than one roll of photos on trip with Galt.
