Mumphrey is an unusual name to me.

When I came accross it in connection with the Jax browery in N.O. in the KURKIN records I consulted the N.O. phone book and sure enough there are a few Remphreys there.

I was surprised to see the name in connection with the WxPost 7/11/78 story on former Congressman Tonry, as the name of his law partner.

Tonty represented the former Leander Perez balliwick, which begins at the end of Orleans Parish.

I do not recall the first name of the Memphrey in the FBI records.
