

It is impossible to read the clipping
files kept with care by the various
field offices without realizing that
the FBI leaked very many of
them & felt it would without
endangering a spy ring at all.

The more prejudicial against Ray
the more attractive to the FBI
disinformation operators. The more it
could make the court, & the world
believe it was doing a great job, the
more certain the FBI was to
spread false hood & fantasy. It was
all scripted - unbut really - by the
press, which repeated what the FBI
leaked to it with accuracy.
