Dear Harold, Bill

We enjoyed the day that was spent with you too - Lil, all those plants that we dug up in your yard seemed to survive the

transplanting. Our daughter was happy to have them

Neither of us had had time to do any of the reading -

Baby sitting 3 kids in Fairfield wore us out - The week end

of June 4<sup>th</sup> to 7<sup>th</sup>, Bob & Karle, the 3 children & Jim & I spent a

4 day week end at Niagara Falls -

Even though it rained part of the time we enjoyed the scenery -

through Northern Maryland, Pennsylvania & New York - He stayed on the

Canadian side (with Chaper) - but we spent time on both the Canadian & U.S. side -

We enjoyed the trip —  
I'll be much to see  
in the U.S.P. — I can't  
understand ~~why~~ why  
anyone would ever  
want to go to Europe —  
But you are glad  
to be not here —  
and we enjoyed the  
day —

Sincerely,  
John & Anne  
Pearce
