

MR. W.,

IT'S LITTLE WONDER THAT THE WRITER OF ATTACHED ARTICLE OMITTED HIS BY-LINE. WHO WOULD BLAME HIM. YOU NEED A MAGNIFYING GLASS TO FIND ^{"A"} CENTILIA OF FACT!" OF ALL THE ~~INCREDULITIES,~~ ^{INCREDULITIES,} THE "SAWED OFF-30 CAL. WEAPON" IS NONPARTELL!! AS THEY SAY, "IF IT WASN'T SO TRAGIC" (MAKE THAT "CONTEMPTIBLE") "IT WOULD BE FUNNY!"

DOES THIS INDICATE THAT AT AS LATE A DATE AS 7 FULL DAYS AFTER THE SHOOTING - RIFLES WERE STILL BEING SEARCHED, EXCHANGED + CONFUSED?/?(?)

IT'S REALLY VILE! I THOUGHT THE 7.65 MAUSER STORY WAS BAD - THAT WAS "BELIEVABLE" COMPARED TO THIS!

MR. W.

1/8/74

JUST READ A NEWS BULLETIN
SAYING THAT RAY FIRED MR. FORSTONWARD,
AND RAY IS WILLING TO NAME NAMES!
WHY DID HE FIRE HIS ATTORNEY - (FOR THE
UNPROVED TIME RAY DISCARDS YET ANOTHER.
AND AT THIS STAGE, CAN WE REALLY
BELIEVE "ANYTHING" MR. RAY SAYS.

FROM "FRAME-UP" IT IS OBVIOUS THAT BOTH
YOU + MR. FORSTONWARD WOULD BE AS CLOSE
TO MR. RAY AT THIS POINT AS ANYONE.

WOULD APPRECIATE - WHAT EVER YOU CAN
TO DO. THANK YOU.

Jeff LeLang

SHAKEN FRENCH. A young Parisian claps a hand to his face as others discuss news with agitated policeman. In London, the great bell of Westminster Abbey tolled for an hour—a thing normally never done for any one but the dead of the royal family.

GRIEF HIT THE BIG AND THE SMALL

CABINET'S HOMECOMING. Halfway around the world, en route to Japan, Cabinet members got the news, and ordered the plane to turn around over the Pacific and speed to Washington. This historic picture shows their arrival, stunned and grief-stricken. From right, they are Secretaries Hodges, Udall, Rusk, Dillon and Freeman. At far left is White House Press Secretary Pierre Salinger.

DEATH FOUND HIM FROM THIS WINDOW?

From this grimy warehouse window ledge of the Texas School Book Depository, the assassin shot President Kennedy. Stacked book cartons, one of which still lies in right foreground, afforded him makeshift privacy, but helplessly risked exposure by any passerby. It is not yet known how long he waited, but police found an empty soft drink bottle, a crushed cigaret package and gnawed remnants of fried chicken in a greasy paper bag.

HA!
NOTE
"DRAMA!"

"ANYONE FOR ?
32H

"BONNIE RAY WILLIAMS... ANIMALS"

This photograph was made a day later to re-create the scene. The President's car had just turned left off Houston Street (where white ornamental fence curves at lower left) and onto Elm Street which funnels into the triple underpass. Stowed by cornering the car was traveling only about 15 mph when it reached the point in the center lane indicated by an arrow. At that moment two loud, sharp reports were heard and then another.

Measured as sniper's work, the shooting was remarkably effective. The target was moving 75 yards from the muzzle and about 60 feet lower than the assassin. And both the President and Governor John Connally were hit within seconds.

Under the window police found three spent cartridges and one unused. Then, hidden between two stacks of books, they found the weapon, a beat-up sawed-off .30-caliber rifle of Italian make fitted with a four-power telescopic sight.

HA!
HA! HA! HA!

- On page 37: Story of the man held as assassin
- On page 72D: The life of President Lyndon Johnson
- On page 101: Warm memories of J.F.K.
