Dear Harold,

Enclosed are a couple of copies of the Post article on Whitewash IV. I had 100 copies reprinted for \$2.85. I had to use my old pasted-up copy which I've been carrying around since November 23rd, so the date is crooked and there are parts that are a bit faded. Considering the original, it came out pretty well.

This afternoon I picked up some addition copies of the original Post story, so if we think we may need more copies at some time in the future I can have Sammy or someone else with better talents than I have mount it. [Even I could do a better job now. I should have separated the Oswald and Dulles photos as the original Post article does, for example.]

I wrote Tom Snyder today. I'm sure it would do us a world of good. Incidentally, the show last night with Agee was done in cooperation with CTV.

Although there was little new information for us, Agee is a very impressive and articulate person. Perhaps the most important idea he has is to use some of the money from his book to assist present CIA members who want to speak out to make the transition to some other kind of employment without suffering the hardships that he has gone through.

May and I had hoped to come up and consult with Lil on taxes on the 8th or 9th of February, but I just got a call which indicates we may have out-of-town visitors that weekend, so we may have to postpone it until the 15th or 16th. I imagine we'll bring Ehlke up at the same time.

Best,

Jim

P.S. I'm sending
more copies of the
Post story by 3rd class
mail.
