Dear Harold:

I know that you're not interested in Nagell, but I thought the enclosed document might interest you nonetheless because it indicates that the subject of the document was given a "Q" clearance in October 1963. As I recall, someone phoned you during a radio interview you did on the West Coast and told you--after the show, I think--that Oswald had a "Q" clearance.

To the best of my recollection, this is the first time I've ever seen a reference to a "Q" clearance. Have you seen any others?

Best regards,

Jim

I've heard of Q clearance. In O in NO I got into LHO's Crypto clearance. You enclosed nothing. Whatever clearance Nagell may have had is not relevant to ^{whether} ~~whether~~ he knocked off a bank for an assassination alibi or anything else he said about the assassination. I'm sure, for example that the Dullesses, Hunt and countless others had such clearances but that they had those clearances does not accredit all they've said to me.
