Deer r. Wilkinson,

delivered it to Mr. Mohrt of Gallin rd (5 Rue Sebestien Bottin, Peris 6). He will read it on the boat. If he likes it, Gallinerd will also have to read it. We should hear from them by the first of the month, by his estimate. Your name and ad ress is now on that copy.

As I loft Mr. Mohrt's room I bumped into Mr. Andre Deutsch, who said he could be interested and will speak to you.

Sincerely yours,

Herold eisberg
