We have a damage control problem with  
Lifton. He is wrecking all of our work.  
Sudy is totally in Lifton's corner, and just wrote  
an article praising Lifton's work. No-one knows  
this, but Lifton caused the destruction of a set  
of autopsy photos that would disprove him.  
He told Sudy privately that the autopsy photo  
was faked, reversing his denial in his book -

Please do not mention Lifton, but get  
across the back wound, front throat  
entry, pristine bullet-magic bullet theory/  
fantasy, and movement of rear head entry.

Harry wrote this & handed it to me 11/16/61 when Chris Sullivan  
(Baltimore)  
of FBI was interviewing me. What he says of Ladd is  
100% wrong.
