Dear Mr. Matthews,

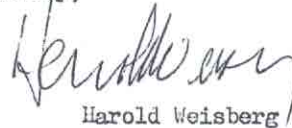

I've had nothing to do woty Lane for years and do not know where he lives.

It is probably Washington, DC because he did move there and he is affiliated with the Amerinazi Willis Carto. He was Carto's lawyer in the case he misrepresented to be able to do Plausible Denial. The only question before that jury, regardless of what Lane says, was malice. Marita Lorenz has no ~~credibili~~ credibility at all and part of her fairy tale was without question an absolute impossibility.

From what I hear Lane rarely answers letters,

I do not recall whether you have my Case Open or Never Again"§ but if you do not they and other assassination books, including all the trash can be gotten from The Last Hurrah Bookstore, 1737 Memorial Ave., Williamsport, PA 17701.

Sincerely,

Harold Weisberg

Dear Mr Weisberg,

Please find enclosed a Bank Cheque for the sum of \$65.35 U.S. being payment for your books: Whitewash, Whitewash II, Photographic Whitewash, Whitewash IV and Post Mortem.

Also, as I mentioned in my previous letter, books and information on the Kennedy Assassination are almost impossible to acquire here in Australia.

I have two books by Mark Lane, 'Rush to Judgement' and 'Plausible Denial' in which I noticed from the front of his publications that he has written a number of other books. As I do not know even what State Mark Lanes resides, I was hoping you may be able to advise me of his address or mailing office so that I may purchase his books on the Kennedy Assassination.

I thank you for your assistance in acquiring these publications and look forward to corresponding with you again soon.

Yours faithfully,

LEN MATTHEWS
