Dear Mr. Weisberg:

For a paper in my American historiography course, I have elected to do a career-line analysis of the critics of the Warren Commission Report. For this analysis, I must have as much biographical data as possible. For this reason, I would be grateful if you would take the time to answer the enclosed questionnaire in as much detail as possible. The information which I use for this paper will not be published or circulated in any form.

I realize that you are busy, but I would appreciate any time you might be able to devote to this project. Thanking you for your help, I am

Sincerely yours,

*Patricia Madsen*
