Dear Mr. Wesenbury,

Heard you on town talk last night - Enjoyed it very much - would like to read the book "White Wash"

am enclosing a \$4<sup>52</sup> check as I remember this was the price.

Also would like to ask you a question, what about the Coffey girl or waitress who testified or told on T.V. to news men, she recognized Edward who had been in screen with Ruby a week before?

Sincerely  
Mrs. John A. Murray
