As the day wears on I fink that I'sa eithny worzied or dizcouraged or depressed by the neweet ox sinsuntinters on last night'a ABC airiag pian what I've leamed in one phone call today. ${ }^{+2}$ is only a litilu ufter $9: 30$ and as distinguishodi from physicaliy tired I'm seary, partacuiarly after this one colle ft wen t last for it never does.
uy first sukling of the $0^{2}$ tooza + mrowiotion of tondely was fros an old friond, an guthentid consecvative as elfnetinguished for a buchward looiding ignoramus, Steve Darber,
 his bureau fil and h has three bajor atomas to fille, so I cut it thorto fio had had one

Now it thara out that Budy who froa your sccount is wholebenrtediy iato tids gleys

活 wont to fis as to indicuto no Fori anownedge of $0^{\prime}$ Toula: Stevo would not 210 about this.

I waited only lonys onough to give has a chance to cull suid boiowe i placod the call that resul toin in the "in conferaner" degort Iror Laicoye "In confornnoe" for twe daya?

At sece point jis not going to be abbe to reatrain rypelf with and about hia. Don't
 very coanascosal book long in ay thoughts, tearing these cragies up. Thot could be publishead

The cless combination of all sy fears botug 21 ght in his coping out in the Ray caso and this nowest atuyddity/ego trip awa a gnathty hoavy lood frosi which not to vent!

Cas this, by the way, when you sers him you sight tell hos that I'm curious about aons of Schoannanis's souncens and is ho in fact one? Ons ono of the things Schoentann used I oun conouite of no ather. On anothory he fa the nost sivioue and tha ethical ansi moral

( $X$ havo, ressisted tinu teaptation to witto hiag thus lars)
 $11 k 0$ masting batmos you'2I not take tian to read anyway. So, I tell you that I have them

 If it reans anything relovant, Warner hus aither lied or what anotants to the savee, resorted to farout derantion with us.

Thore are a mubur of placen I've ranked - I don't romorber eapecially after saveral unpleasant phone culis about tinn firauat in ady can rapair that have interrupted thiswhere it couli is a sonautica buainebs, whase they have to have files but use a speodal dead mathon wo aky they have none loy manely calling it othar than what they chose to means by "sumveilliances"

Belia Aboug was quita good on Podsy todug. Frons it, the storios and what I'd assure froa tho past ties, have to lo int ceptions on wy wofl. All have to do uith firstmanend sent ridehts, or whore I was dotng something for USIEh

- Aadde Irom what I told you about
 mail, rather with both in Vost Gamtary only). Fuasda (whare the corresponionee is quite opposito CLA Intorest!), Caechoslavaicia, Jtaly and Spain. Alac France. Think they don't have anything when thi fivet book smys Daswald was a epook? Hexico, Belfrage, who has yet to achonoibedge rodedigt of WH TV. Japan, toe. And I have ansurancea froa the Post Office that thezo was nona oi this pius a olear fraval case they socepted and then roturned, the peckage stili acaleu as they mailed ito o....I think maybe a package.

Colby's testimany, il ite can get it, spers to go into all the evasions.
