

Dear Harold,
Thanks for sending the
books a few months
back. I hope you're
doing well. I've seen
you on a couple of cliffers
specials concerning J.F.K.
and Martin L. King Jr..
I just want you to know
I respect your work
a lot. You're a true
Patriot. Best wishes
always,
Kevin Teare

Kevin Teare is an artist who invented his own or adopted one of the existing JFK
assassination theories, making this easier by remaining in ignorance of all but theories.
I wonder if Stone (Oliver) financed Marra for the flight to NY and living there for the
time of his appearance if not more.

FOR IMMEDIATE RELEASE

JFK
IN MEMORIAM

MYTH
AND
DENIAL

Renee Fotouhi Fine Art East is pleased to present JFK in memoriam; "Myth and Denial". The exhibition will be on view November 16 - December 2, 1991. There will be an opening reception on Saturday, November 16th from 6 to 8pm. A panel discussion, lead by the renowned writers John Davis and Jim Marrs, will take place on November 30 at 8pm. John Davis wrote the "Mafia Kingfish: Carlos Marcello and the Assassination of JFK" and "The Kennedy's: Dynasty and Disaster". The Texas journalist Jim Marrs is the author of "Crossfire" and is currently the historical consultant on the soon to be released controversial film "JFK" by Oliver Stone.

Central to the large group exhibit is the installation "Sitting On Go" by New York artist Kevin Teare and Jim Marrs. Though the original theme of the exhibition was the exploration of the Kennedy assassination conspiracy and cover-up, the focus has expanded to include views and reminiscences by artists whose work is not solely concerned with the "Official Mythology". The multi-faceted exhibit, assembled by Renee Fotouhi and Kevin Teare, will include the works of Leon Golub, Larry Clarke, Mary Heilman, Judy Rifka, Kiki Smith and Paul Georges among many others. It will also feature the nationally prominent political caricaturists Stephen Kroninger and Julian Allen.

Renee Fotouhi Fine Art East is located at 16R Newtown Lane in East Hampton, NY. The gallery is open Thursday through Monday from 11am to 6pm. Please call (516) 324-8939 for further information on the November 30th panel discussion.
