

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, DALLAS (100-10461)

DATE: 2/25/64

FROM : WILLIAM (BILL) BRANNIGAN

SUBJECT: LEE HARVEY OSWALD, aka.
IS-R-CUBA

Regarding telephone call from the Bureau to Dallas Office, the following requests were made:

"In connection with your teletype of 2/24/64, the interview of MARINA OSWALD regarding the NIXON incident, we would like to have Dallas determine the date that NIXON was supposed to come to Dallas to receive this Good City Award or whatever he was to get.

"Fix the time when this appeared in the public press down there.

"MALLEY just called, and said RANKIN noted today that when he was talking to THORN past weekend, THORN mentioned to him THORN had gone to Oklahoma over past weekend. MR. RANKIN recalled PETER GREGORY, who at one time was taking Russian lessons from MARINA OSWALD and at the same time supposedly teaching her American, and believed GREGORY is at University of Oklahoma. Also observed at this time there were several occasions when PETER GREGORY would take MARINA OSWALD out at night and he was speculating as to whether or not MARTIN might have come to University of Oklahoma to talk to PETER GREGORY to establish that MARINA might have been promiscuous with GREGORY. Wondering whether we could discreetly find out where MARTIN went this past weekend.

"Would you have any idea on this?"

"You might check airlines, and give us a call on the dates."
