NOTE: This film includes a few shots of subject at the  
time of his arrest in August, 1963, for distributing FPCC  
literature and creating a disturbance. This arrest has been  
completely documented and the arresting officer interviewed.  
Since the film contains additional personal pictures and  
Doyle requested its return, it should be given back to him.  
A copy of the film has been made and is retained at the Bureau.
