

I am beginning to see why you have confidence in Garrison. The news about Hovel, Arbacha & Houma is coming out as you predicted. We will find all our "friends" (including C.) mixed up in this type of thing. There is no doubt in my mind, at any rate, that Oswald was a U.S. government agent. With much admiration, A.

Pa, Howard, I am not well & untroubled. Vickie was killed in the most terrible automobile accident. I can't write. Love, A.
