Dear Harold:

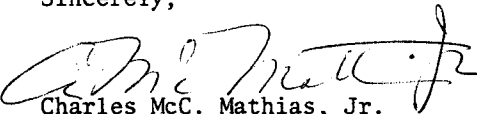

Thank you for sending the letter with the enclosures relating to your freedom of information requests. You may be sure that I share your concerns on this subject.

The situation which you described seems to be precisely what the present FOI laws were drafted to alleviate. As you know, the Committee is actively continuing its oversight in this area. I have asked that your material be added to its files. It should provide the Committee the additional insight as to problems with which individuals like yourself are faced.

It is good to hear from you.

With best wishes,

Sincerely,

Charles McC. Mathias, Jr.
United States Senator
