Mr. Harold Weisberg,  
Route 12, Old Receiver Road,  
Frederick, Maryland 21701

Dear Harold,

I thank you for your letter of May 6 and news of your progress. I shall be interested in the results of your presentation to the court of appeals.

With regard to your request for a set of published materials from the House Select Committee on Assassinations, I am sorry to hear that you had not received any response from Chairman Stokes or Mrs. Byron's office. I do not have any extra sets of those House committee reports. I have been informed that 12 volumes of the King report have been printed, with vol. 13 still to be printed; five volumes of the Kennedy report have been printed, with volumes 6 through 12 still to be printed; one volume of the Legislative & Administrative Reform Report has been printed, with one volume still to be printed; and the one volume Final Report is still to be printed. Perhaps you were able to acquire some of these in the past. If so, let me know which ones you are missing, although prospects for acquisition are not bright, inasmuch as the committee has been dis-established.

With best regards to Lil and you,

Sincerely,

Charles McC. Mathias, Jr.  
United States Senator
