MEMORANDUM

Addendum to Memorandum for the Record of May 10, 1962

SUBJECT: Discussion with General Eisenhower, Mr. McCone
and Mr. Forrestal present.

Among the comments made by General Eisenhower in an
off-the-cuff and most probably, in an unconsidered manner, were
the following:

If he were sending troops into Laos, he would follow them
up with whatever support was necessary to achieve the objectives
of their mission, including -- if necessary -- the use of tactical
nuclear weapons.

General Eisenhower recalled that when he first came into
office, the Korean War had been going on for two years, and a
policy had been established that foreclosed military strikes north
of the Yalu. He said that this had been a mistake, and that the
country should have been hit at his sources of supply.
