

Dear Dennis,

4/19/96

Rear 17, if and when the secretary can, can she do the Brown thing? They are accumulating!! And the one I had in mind is both mastering a new computer and working on the Hosty book. I have one Picturing Corrupting the JFK Assassination, Groden, to which I've added his current one ready to retype as soon as I make copies of the add. No, I'm wrong on that. I had the Hosty done. They have a diskette I gave the man. It is the adds to Waketh I asked his daughter to do.

I'm well into the La Fontaines. I laid another aside for that as I think Dave believed I should.

I'm not impatient for the corrections!!! If I thought I'd be around longer maybe I would be but I think most important is getting on paper what I can. I hope to be able to read and correct, too, of course.

As I may have told you, the chief reason I kept smoking is because I believed it would be necessary if I were to be productive. Now that I've stopped I am convinced that was true!!

You may hear from Steve August. He has become a friend and Lil and I believe he is a fine person. He was travelling secretary of the Red Sox. He's been promoted to Director of Baseball Operations. He slipped over to see us yesterday, when the team was in Baltimore. He has a genuine interest in the assassination. I told him you might be able to answer some questions for him. He did not write your name down but he may have that good a memory.

I guess we are about holding our own, thanks.

Thanks and best,

Hard

Dear Harold:

Do not despair! The corrections have been made to the first 30 chapters and should be in the mail to you before the end of the day. My apologies for taking so long. Unfortunately, although it did not take very long to get the job done once I started, I had difficulty finding the time to get to it.

Slow progress is being made on the remaining chapters. The student who is doing some of it ran into some computer difficulties, but we have sorted those out. He has done a couple chapters and should have a couple more chapters by next week. There are also a couple of others that we had completed ourselves. So, you can look forward to another package in the near future. Our secretary is willing to do some work on it, as I indicated to you on the phone a couple weeks ago. She is a very fine person and a skilled secretary. I expect that she will be able to begin work on it in a couple of weeks. I did tell her that your situation does not make it possible to pay her more than \$5.00 an hour. She understands and is willing to do the work anyway. She is a fine person and a highly skilled secretary, and will, I am sure, make rapid progress on it.

The young woman who was going to do some of the tying on the Brown will not be able to do it. You had mentioned that you had someone else who was a possibility. If you would like me to send it off to her, or someone else, let me know. Otherwise, we will turn to that when we complete the remaining chapters of *Inside*...

We hope that your health and Lil's are holding steady, or, better yet, improving. I, and possibly Nancy, look forward to seeing you during the summer.

Sincerely,
