

Dear Dennis and Nancy,

10/4/95

Jerry was able to get the diskette duplicated and on his way home, in a rush, he left both of them. I do not know which is the original, if that makes any difference in clarity, but I enclose the one I think is.

The legend on it makes me think that already the chapters need renumbering!

That is because as I thought of some I inserted them.

Over all the years I've been adding to what I began with.

Thanks and best,

A handwritten signature in cursive script, appearing to read "Heidi". The signature is written in dark ink and is positioned to the right of the typed text "Thanks and best,".
