## 6/7/97

Dear Both,
Lil. hed a call after I was asleop. She was told you'd return this week, so velcome! fiope you had as fine a tino as you should havo had!!

Enclosed is ay latest to amie. I'velost track but it seems she is about caught up.

Forgot or I'd have made a copy of infetter I win se several in the Baltimore
 has conie plose to Literal plariarizinc tho utter rubbish of Max "olland

If my typing is even worso I have to keep my lert heel hiegher than my heart and that is a bit itoro than the usual awlward positions forced on me.

I'd misunderstood that heluful stack of address labels you'd made me.
'L'hought it was a duplicate of my returns. Then' mislaid it! While Using it! Found it atter addressing this envolope. Whyy Thuntis I

I wonst try to yp'date you on all 'I'de done in your absonce but it will all be available via Gerry of isill. And nou that you aus back, I'll send you disks. Back or due to pe. The volume is consisiderable. I hepe to hold on long enough to get it all read and corrected. Whylu More dou, tod!!

I tilink I'd seont two weeks in the local hospital before you left with congestive heart failure. Two montts leter, whon it ha;pened asain I was nat expected to survive. I was anbulanced to J̌hnshopkins the report to the local
doctor who sent me there list nine things, most serious, for which I was truated. That doctor has now told me three tine he thinle it is amazing that I'in surviving all I an. Bven the domatologist told no this week that she regards it as a miracle when ${ }^{+}$walk in. As I've beon doine fairly often because two the medicines that keep me alive cause string itching and one mistake caused the worst modication rash she'd ever seen.

And just yeotorday the protime shifted to seven seconfis fester!
I think you have raketh the Watchman. If not ask $B_{i j l l}$, who hits been sigiply machificont about such things. A long evilogue is being retyped. 11 chapters! I have proof that the UIA sent Powers ti. get lilled to break that sunmit up. I man it seemed certain to them, as you'Il see. The rest I'll leave for you to read.

I've heard little from lerry. I take that to be he's busy. I hope he has been able to work on zour book. ficknight is making some time on Honorable ${ }^{\text {kitan }}$. It was wonderful of bia to offor to retype $\beta_{\text {ogus }} R_{\text {cvelations, the }}$ Hall ms. He did the mufsco tho first $\frac{d y}{}$ : No las done a fine book on Pine's Poor Peoples' caryaigh that has be n accopted for publication. lisine tron a book on tho wh otaff I eupect hin to do one on the executive sesgipns. So, we'dl get a foir amount of the history whatten. Uur best to you bot h ,
