

Original

- 3 Gully "a professional diplomat"
- Same formula - mid of someone else, Bellah
- 6 Here maybe killer stalking mid.
- 8 "I made the notes for this ... with my gun on him. If he hadn't talked I would have had to kill him to save myself." (also 10)
- 9 In my - Hughes made Bellah suspicious
- 10 CIA in for no good reason (also 21)
- 17 Beyond of simple fact
- 19 Park men Hospital
- 20 Political extremist + detouring one
- 22 More extreme political godliness. Also economic
- 23 - Yul is a non - but out "group" opposing WC followed by bloody history of WC + T. This trip to mid + wounds
- 24 This manufactured story of seeing the "Soul" picture in life changed in news + newspapers after B. Court found same in life. Did not cont reduction between old news versions follow on 26
- 24 Bulletin on mid + Bellah. They legit men here. Read WP (a decent understand) but mainly not 26. Regularly want mid names. Did not even follow police
- 25 lie source. As on the Mercedes (sic) - the Affid. 14 A news story is an inadequate account of a ~~the~~ Sat Eve Post story. Not even aware that so many books preceded his fabrication - at both
- 26 ^{man} lie, This appears not in new - one is "Harenko"
- X 26 Here both versions contradict + there is internal cont reduction on new (gun hidden in trousers pouch + unhidden)
- 27 Here his is "admitted" to Bay Day News he is part for CIA - case. 1500 is "small"? Bay Day print not then fixed. Makes up false account of previous - still in new version

27 cont. He has gone into "Paul's" story with folks who he is a witness to how he got it or any -
Nothing about "Paul" - so the new version begins with that.

32 etc. description room of meeting not how it is important in new version & called. (partly on 33 But with details missing. The details of the new version are atypical for CIA, only possible inference of "Trotter" connections. It is also to say the "connections" differ radically.

40 What follows is the story told by the illegals of the woman who is a built-in self-destruct device. Errors like date Bay Pigs training program. This sequence, although the, where new version has woman? And "Paul's" assaults on "Trotter"? No - it is on 47. You "become aware" of a woman when there is only a single room? When Paul gives the time for Betty what is wrong with providing a woman? And what is right about an experienced spy having a night's companionship Paul at 10 a.m.?
"Council" not mentioned

50
52 The Oswald - document in bit & the phoney "prime CIA man" appendix to the new version are just ridiculousness. The whole is yet more obvious - worse & very bad.

54 TSBD is "bookbinding building."

55 2d floor. Reasonably guaranteed distances from people to trees to concrete & 4 men to own other cars & occupants

56 All on shooting impossible - means as it goes along & wrong

to 61 - This - no single detail not fake, impossible, irrational and/or proven completely wrong before he wrote anything
