Dear Harold,

I hope you heard the CBS news a couple of nights ago, with Dan Rather talking about the Mullen agency. He had got onto the CIA link - all that you had been saying all along (or, rather, some of what you had been saying all along). I wondered if you had been in touch with CBS before the broadcast or if it was a case of great minds working along similar lines.

We greatly enjoyed our visit to you the other week. It was such a pleasant dinner. As you know, we always enjoy our trips to Frederick, though it is getting harder to get out with the gas shortage. I fear we are all suffering for the inadequacies of Nixonian policies and economics.

We are both well and are keeping fairly busy. Cris of course is back at Howard and the students are keeping her suitably occupied. In addition, she has begun learning French in the local school system one evening a week. Not to be outdone, I have started basic Spanish.

As soon as the weather improves we look forward to taking a drive out to see you - if you'll let us come!

We join in sending all our love and best wishes to Lil and yourself.

Yours ever
Jan
