Dear Mr. Weisberg:

Thank you for your letter of April 23rd.

I can certainly appreciate the tremendous amount of work you put into your research and the written material that has resulted.

Mr. Weisberg, with the on-going responsibilities I have in this office together with our preparations for the Senator's re-election campaign, I simply do not have the time to adequately pursue your recommendations. I do appreciate your writing as you did.

Sincerely,

George J. Cunningham
