

GEORGE McMILLAN

January 23, 1974

Dear Jack:

Judge Murray refused to grant the Bureau of Prisons a stay in my case. I assume they have gone to the Court of Appeals. Anyway, I thought you would like to see the legal document. The handwriting on the side of the page is that of Judge Murray -- turning down the government.

Sincerely,

Mr. John Larry Ray #86798  
P. O. Box 1000  
Marion, Illinois 62959
