Dean Syivis,
Long as we tolked isst night and this momine, there ure y few things I. shoula have told you and ditin' in it has buen sc iong anc there is so much. And, of erures, there is so much I coutd rot entrust to the phone.

As you vill, I thin's, eventuilly leem, o mojor prit of the problem of earrison is really "crities". I who iv were poseible, as once I askea you, for you do diatinfilisin betwesn him and the Nez Orloals evidence. There are o number of easee thet shoula get to court there. thether or not he has intergst, I do not kong, but I de kncw whet have devoloped, cntirely iudepordent of him.

Whe of these involves es men confinion for the security of the prasident of tha United States (which one not apecified). I heve fram the Sanvet Service minimum confirmation, in writine, of heir "intovest" in him. Natior of fact, - lived in his hems for two weeks lact sumer! verybody else was terrified, but they wer - the beet Nep Orleans accnmodetions I erz hod, caducive to gona work.

Bringuier, who is connected with all of the radicel right, not just Hergis, but men like inezFer, Fenebsz (who servod the Bringuisi fuaction in the RFS case), lied sbout elrost sverything. Vere there o psrjury case, 1 heve cvermhelnimg docunentsry evidence, is his own hendwriting. He knev of the foramilitary ectivitiea, knew esveld wes re:orted to be involved, and ell the things he testifiec to sbout osmeld, incluaing hia "cover" of fear over the maio on the emmo oump, hoppened moch earlaer, thua deotrcyins his explenation. "gtter of ifet, the converse is sles true. Cswala knew of Eringuisr's involvenent with such uctivities end told e $t .0$. reportar. I have tie IfEI report and the reporter, on tane, confirming. I have Ricardo Davis on tope, extensively. He was SIA, hed been a Now York police agent, etc. He told re much, more then he realized. There is pert of the story that, aomeday, I may do as a novel. It was nevar be creaited ony other way. I heve st least two nogels from this work.

I do not plea for return to Now Prleans gay time soon. Wiy last trip was for two ressoris: the case 10 "ashington un? the steff wrysctamize urgont request. I do hope to stay homs and viorts intensively on the abundence of aeterial 1 have. Tro bocks be ve beon typod for the camere goct severaf otiars are in verious stag of cevelomint. I think al are both iopertant and close to $100 \%$ new material. $I_{t}$ may not seem possible to you, but there is that much not in the 26 that heve nd dave been piecing togother. This will bo slowor then ay output in thepost for my wife bas eone beck to work to kerp the daily bread from incresaine the disilygrowing indebtedngss. 3 so wich it had been possibla to interegt a found ation in Whet I an doing. I believe I hare already a kind of docunentation of the most unusual thine in our histosy thet is without parallel in any hietery. Whe the $r$ or not I will over eet out of tho dobt it hos incureed I hyve no ides, but I ao Trint to be able to ut it al2 tog tho and make it all gyailablo. Cthers can then make thrir oun uses gud contributions.

When I told you I hope you might some dey see some of this and you seid erhepe in the sprine, I thought, leter, for I did not rapicly isl' esleep, that parhare you kioht find a weokend somer then then. If you co, while I cannot nom, es once I would, kgve of rered to pick you up in Beltimore, we do have gconoodetions and $t$ beautifinl situstion. Greylound runs to tithin four miles of here. If you would care to lose yourself in ne meteriol for a waekend, plesso let me knov. Or, you could reed the mes of the bonk lereely done. I slec dide repid draft ( find that I can ectually turn out a short bonks in three-liour days!) of "A Citizen's Descent" to heve it reedy in the event it became necessary to do somethine along thet line. I never expect to use it. Hurriedly,
