## Dear Howard,

## $8 / 14 / 72$

Your nailinis of the then lotter(cangratulations-I was told of it last woek) and
 asy coment by you. Hone is required.

Mypicully (I've no reat the Bromer clip), the pronecutions Ieavea nor cuestions than it auswers, perhaps questions where there neud be nono.

Nothin; new here. Beon vory budy on hay vork kn wish I didb't have to bee whele was noarby, phonod, whe hend't beon able to reach you.

I've rado no spacial eifortas to learn aytlings about the conine Gymiliinge Vas in DC Friday and didn't oven auk wimth. So I also lmo nothing ne: on that.

You have now ty responso to Jerny's Last wiordo. I wish ha'd brook off entirely, as I anked hin, becaus I foel inoplled to try in whatover way I can to make hin thinlc, to face what I foar are potentinlly aurious onotional problems. This I feel thet whon he sends self-sciving-self-justifying crap I have to minto an effort to brods tirough his crust with enough roason to at leart conceive it. 兴y roal fear is that ho will not only not consides it but will build up evon soro resistance the more he in proseed, which confints ne with the ad ed woryy, which courge is nome likely to do least harn?

I have had no word froi Sylvia. I hope she is coming out of it. Porhapes Jerry, but someone seid the is not soing avry for the sureer. Here agatn, I feel there were boginning onotion I moblens that have been accontuatod by the nos ones. I fear that her subconscious at loast hay be troubling her, which can actravate the wole thing nore.

Thankes and bout,
