

24 October 1979

Dear Harold,

Thanks for your letter of the 17th to Paul and me. I am indeed sorry to learn that your wife has been under the weather and I do hope she is now recovered. Do take care of your own health, dear Harold.

About Nosenko: the only information I have is in the HSCA volumes which I have indexed and which I hope that Paul is sending you regularly (the individual indexes, I mean). I have just finished Vol. IV Hearings, which has Helms and much Nosenko information.

These indexes which I have been doing, in collaboration with Gary Owens of London, Ontario, will be published next year by Scarecrow Press, which will reprint in the same volume my Subject Index to the WR. I do hope that this will prove useful to you and our colleagues and to the researchers of the future.

An entrepreneur named Mitchell called me yesterday from Washington offering me a consultancy on an Italian film project on the assassination. I turned him down because of my preoccupation with the indexing project and I hope that you don't mind but I did give him your name, just in case you should be interested in the honorarium that is offered.

Warm personal regards,

As ever,
