

Dear Harold -

9/14/66

I am glad to hear that the Lloyd Weir's rumor had no real foundation! That is a relief. Do let me know when you get word on the date for the telecast so that it can be taped.

Surprised to hear that Lipton is with Ransgarts again - they had parted coldly, I understood. So now it is December! I'd been told Nov. "for certain." My opinion of the Ransgarts peoples is at a new low -  
(over)

they owe one person a  
substantial sum of  
money for work and  
travel undertaken at  
their express request  
on a reimbursable basis

— but have been  
refusing to pay,  
pleading "poverty."

Will be in touch  
again soon.

My best —

Sybil  
P.S. I did not have time to  
call Callie & he hasn't tried  
again.
