

Sylvia Mesgher 2/11/66 phone

Milton Jones, the kid the bus driver thought was Oswald told the FBI that right after Oswald got off the bus the police searched it. In his affidavit.

Julia Mercer (truck story) cannot be found. Reported unknown at address she gave.

There was a real Hidell. It is the nickname of a former Marine who is from New Orleans and was in the service with Oswald. His name is Heindell (Vol 8)

The Moerman picture show the puff of smoke, shows a man resembling (but not) Ruby, and a man running up the hill.

Her close examination of the Zapruder film at the archives shows a reaction well in advance of 210 by Brennan and Jacqueline. Kennedy's head, in motion pictures, snaps back, as though hit from the right front. She also says first shot before 210, while obstructed by trees. Willis film shows other things.

Jim Koetne, Dallas reporter, found deadm seemingly strangled or by karate blow.

Case listed as unsolver. Another former Dallasite, in Dallas at time assassination, Bill Hunter, Long Beach, Calif, reporter, died in mysterious police accident, in police station in Long Beach, where, apparently, one of a pair of policemen shot him and, as she tells the story, they then got together and decided on the account they'd give.

atty Tom Howard dead. He, martin, Senator, Koetne, and ~~xxxxx~~ possibly another
in Ruby's apt Sunday. Howard dead, apparently natural causes. He is supposed
to have had pictures taken showing the shooting. He also tried peddling them
around.

Committee of photoanalysis people in Calif working on pix evidence.

Fox book went through three printings in four weeks. Initial run 200,000.

Several other books in the works. Lane didn't do own research. Committee.

Roper didn't either.

Her ms 130,000 words, not done. At magazine which wants to do a regular thing

with this subject until something is done. I told her okay with me if by

Collier if he shows her mine. She is not anxious that her's be printed, but

that a good one is. She is willing to help with mine if she thinks it does job.
