Dear Joan,

Thanks for your card.

You asked for a list of our books and we forgot to give it to you.

In addition to these, there are Case Open and NEVER AGAIN! both by
Garrull & Graf/Richard Gallen.

If you can make it again in June, you'll be welcome.

Forgot to ask you how your work on Bruce went. Also forgot to tell you
that he handled some work I did before Pearl Harbor.

I got some anti-Nazi info I got to FDR, who used it in a fireside chat, and
on its return to me it passed through Bruce's hands, according to the info I
got from the EIA. That was I think before the days of the OSS.

Our best,

Dear Harold -

Many thanks for your help and my gratitude to you and Lil for your hospitality! I hope you're now feeling a bit better. Your fortitude ↓

is nothing short of heroic.

— Perhaps I can visit again in June when I'm in Washington?

All my best -

Joan
