Note: Certain photographic material shown at the conference had to be censored due to copyright concerns (such as the Zapruder film). These are images that are probably already familiar to persons viewing these tapes but we apologize for any inconvenience. The opening remarks of Wayne Smith and Gaeton Fonzi from program 6 were not captured on video. Imagi-Vision Inc., as compensation for this omission, is including video taped interviews with Gaeton Fonzi and William Turner that were conducted during the symposium.
