Mr. Herbert Jasper
Senator Walter Mondale
Senate Office Bldg.,
Washington, D.C.

Dear Mr. Jasper,

Gary Schoener has informed me of the Senator's letter of August 19, suggesting that I phone you.

I expect to be in Washington Wednesday morning, September 3, about 9:30 a.m. and will then phone you. I plan to go to the National Archives for a few minutes but could remain longer if this were your desire. Perhaps you will like to see the Zapruder film? In motion this requires seconds, but real understanding is helped by examination of the individual slides, which takes longer.

From about 11:15-11:30 on I can be free. I can go to your office or meet you elsewhere should you so prefer.

If you would like to see the Zapruder film on Wednesday, if you phone Mike Simmons or Marion Johnson at the National Archives (outside number 963-4092), they may be able to set it up for us. The notice is not short for a Senator's staff. Perhaps we could have lunch together and go to the Archives from there, getting to the Archives about 1-1:30?

I will help in any way I can.

Sincerely,

Harold Krisberg

Mr. Gary R. Schoener
Box 392 Mayo Hospital

Dear Mr. Schoener:

Thank you again for writing with respect to the Kennedy assassination. As usual, your letter made an impressive argument for your refusal to accept the conclusions of the Warren Commission.

In the immediate future, I do not believe that I will have the time to accept your offer for a briefing in Minnesota. However, I have asked my Legislative Counsel in Washington, Herbert Jasper, to make himself available for a briefing by some of your associates in Washington. If you will ask Mr. Weisberg to contact him at my office, telephone 225-5641, perhaps a mutually convenient time can be set for having Herb Jasper view the Rapruder film.

With warmest regards.

Sincerely,

Walter F. Mondale
