

4/11/68

CONFERENCE CALL: FRANK HITT, ATLANTA, and JOE SULLIVAN, MEMPHIS,  
WITH SAC GRAPP, Supr. W. J. NOLAN, and SAC GAMBLE,  
BIRMINGHAM.

Re the recovered Mustang: It is the proper one.  
There is a service sticker on the door from the Cort Fox  
Ford Company, 4531 Hollywood Blvd., telephone 665-1131 in  
Hollywood, California which shows car was serviced for oil  
and an oil filter at 34,291 miles.

There is another sticker, from H. Beckman Chevron  
Service Station, 1506 North Normandie Avenue, Los Angeles,  
California, phone 666-9921. This shows car was serviced  
February 13, 1968. They packed wheel bearings and aligned wheel  
bearings at mileage 34,185. Mileage on the car right now is  
39,100 miles.

There is an emblem on the rear end of the car that shows  
it came from Marion Ford. This is a metal plate on the back of  
the trunk.

Also there is a sticker on the windshield dated  
1967, October - Turista  
Folio # H 294486  
Director General (with something scratched out)-  
Federal  
Advana de Nuevo Lareda  
Tamps  
(Above may be Mexican tax stamp sticker.)

There is another sticker just like this one on a side  
window of the car.

There is nothing in the car thus far to show that it  
has been in California. Trunk is locked and they have not gotten  
into it as yet. Cannot tell whether it was cleaned out by the  
unsub or neighbors.

This car was in the possession of ERIC STARVO GALT.  
This car was purchased in Birmingham on August 30,  
1967. It was registered in Alabama and still has Alabama license  
plates - 1968 - License 1-38993, VIN 6-6T07C190647.

It appears after he spent about six weeks in Birmingham  
he must have gone west and gone down into Mexico and back up to  
California, and some time around March 1, 1968, he asked for a  
renewal of Alabama driver's license. Driver's license and  
the license on the car both Alabama.

Address 2608 Highland Avenue, Birmingham, Alabama, has been given consistently by Galt in Memphis. On April 3 he went from Memphis to Atlanta where he abandoned car following KING shooting. It is suspected he set up GALT identity just for this job. May have given other identity in his travels. We are not sure he is the right man.

The Mustang is a 1966, off white in color, observed driving away from the scene.
