Dear Sir,
I heard you on Jack
Mc Kinney's program on WCAZ
in Philadelphia. I was much
impressed by your knowledge
of the subject and the research
you put in on the Kennedy
tragedy. You make it easy
on busy people like me who
want to read about it, but do
not want to put the effort
into the work you must have
done.

Enclosed is a money order.
Since Jack signed you off in a
hurry, I concentrated more on
your name & address than anything
else, and if the money order
is insufficient, please let me
know the difference.

I remain
Sincerely
Glen Myers
