Dear Mr. Weisberg,

I have all of your books, but I have not read ~~the~~ latest one as I am still busy reading the 26 volumes of Exhibits & Hearings. Yesterday, I was reading Vol 24, and ~~an~~ Exhibit No. 2038 which is on pages 453-454. Barnes ~~is~~ mentioned a man named 'Fairy' on page 454.

Phonetically the name comes out to Ferris. I hope this information may aid you just in case you may have overlooked it.

Hoping you and your family the best for the years to come

I remain
Glen Myers
