Dear Mr. Weisberg:

Enclosed please find a money order for \$11.00 with my request for one (1) copy of your newest book: "POST-MORTEM: JFK ASSASSINATION COVERUP SMASHED".

It seems that with the work of SENATORS SCHWEIKER and GARY HART and REP. GONZALEZ in the House of Representatives, the American people may finally get to know the truth about their country over the last 12 years. And the thanks belong to those like yourself who at great cost to their financial and probably psychological well-being, pried into the most and lies of "official Truth" of Washington, D.C.

Keep up the good work, and thanks.

Very truly yours,  
Marshall A. Nimetz
