Dear Al,

Thanks for your 4/26 and the offer of a cassette of the Fox special.

I'd like to have it because one of my medical problems, sleep apnea, requires that I retire early, before it was aired, and I did not see it.

I do not share your assessment of it and caution you that all these commercializations and exploitations are prepared by people who know nothing about the fact of the assassination and use people who lie and want attention.

They impose upon the trust of concerned people, say what they know most want to hear, and their only concern is profit.

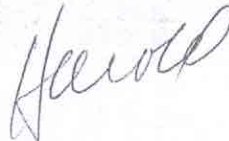

If you know the actualities there is no way they can justify their sequence of six shots. But they also know that nobody will have access to their audience to say so.

Who is going to reply to such people? Or can?

Meagher's book is now available in a Vintage reprint.

If you know anyone who wants the Warren Report, Baker & Taylor have reprinted the official printing for about \$13 in hardback. Barnes and Noble has also reprinted it.

Sincerely,

April 26, 1992

Dear Harold,

Thank you for your reply to my recent letter. You wanted to know about a old bullet shell that was found on a roof top of a tall building near the Ass. site. I read it somewhere in the past few months or so but do not recall exactly where at or from what. It just said that somebody found a old bullet shell on top of a tall building near Dealy Plaza.

I hoped that you were able to see the JFK Ass. Consiracy on the Fox TV network the other nite. It was hosted by James earl Jones and lasted for about two hours. If you did not see it and are interested in it, I taped it and will gladly forward it to you for viewing. I thought that it was pretty good, the best one that I have seen outside the 5 hour program on A & E THE MEN WHO KILLED KENNEDY WHICH WAS THE BEST BY FAR THAT I HAVE SEEN REGARDING THE ASSIS. THE THREE MAJOR NETWORKS ARE ALL SO SCARED OF THE TRUTH ESPECIALLY CBS. NBC AND ABC HAVE HARDLY EVER TOUCHED ON THE SUBJECT. AS SOON AS I GET SOME \$, I AM GOING TO ORDER SOME MORE OF YOUR WHITEWASH SERIES AND THE POST MORTEM BOOK WHICH I JUST FINISHED AND IT WAS EXCELLENT. THE FOX TV SPECIAL ON THE ASSIS. HAD 6 SHOTS THAT WERE FIRED AND I CAN BELIEVE IT. FIRST ONE THROUGH THE THROAT, THE SECOND ONE IN THE BACK, THIRD MISSED, FOURTH, HIT CONNOLY, FIFTH THE HEAD SHOT AND THE SIXTH ANOTHER HEAD SHOT, THE FIFTH AND SIXTH WERE VERY CLOSE TOGETHER. THEY ALSO INTRODUCED RON LEWIS A FORMER CLOSE FRIEND OF OSWALD IN NEW ORLEANS AND HE SAID THAT OSWALD AND RUBY DID KNOW EACH OTHER, AND IN THE PAST A LOT OF PEOPLE HAVE SAID THAT OSWALD AND RUBY WERE SEEN TOGETHER IN RUBYS CLUB.

HAROLD, I NEED A BIG FAVOR, I WOULD LIKE TO GET THE BOOK BY SLYVIA MEAGHER ACCESSORIES AFTER THE FACT, AS I HAVE NOT READ IT AND NEVER BOUGHT IT. DO YOU HAVE A EXTRA COPY THAT I MAY BUY? I WOULD REALLY APPRECIATE IT.

YOUR FRIEND,
