

May 31, 1967

Dear Mr. Martin:

I don't know whether or not you are in receipt of my letters dated May 19 and May 24. I would ask that you phone Mr. Nicholas here and make arrangements to visit me as soon as possible. It is important that I speak to you before my departure for Leavenworth. I am sure you will find a visit at this time of great concern to my case and to our mutual benefit.

Richard C. Nagell
