Re: NAGELL, Richard C.  
Reg. No. A-16606-H

Dear Mr. Martin:

I regret that I must return your letter pertaining to Mr. Nagell in that he has refused to accept it. It appears that his reaction is completely out of proportion since he has also requested his caseworker to remove all persons on his official correspondence list except magazines and newspapers.

Your dedication to this man is remarkable.

Sincerely,

  
R. S. Nicholas, Chief  
Classification & Parole
