" El Paso, Texas

"I, Richard Case Nagell, do hereby make the following free and voluntary statement to Edward Joseph Murphy and George E. Aiken, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. They have advised me that the information furnished herein may be used in court. No threats, promises or force of any kind was used to get me to make this statement.

"I was born in Greenwich, N.Y. on August 5, 1930.

"I was arrested on September 20, 1963, in El Paso, Texas. On September 21, 1963, I was arraigned before the United States Commissioner in El Paso, Texas, on a charge of bank robbery, at which time I entered a plea of not guilty and was bound over for indictment by the Federal Grand Jury. Bail was set at \$25,000. On September 21, 1963 I was incarcerated in the El Paso County jail, where I since have been and am presently confined.

"On September 24, 1963, the United States District Court ordered that I be given a psychiatric examination to determine my mental competency to stand trial, and that if determined necessary by the examining psychiatrist, to conduct such examination, to be committed to the Federal Correctional Institution, La Tuna, Texas, for a period not exceeding two weeks.

"On November 4, 1963, the court nullified that part of the aforesaid order, pertaining to the commitment, and re-ordered that I be committed to Beaumont Army Hospital, El Paso, Texas, for said psychiatric examination.

"On September 24, 1963 and again on November 4, 1963, the U.S. District Court ordered that further prosecutive action against me, be deferred until such time as the Court is in

receipt of the results of said psychiatric examination.

"As of this date I have not received the aforementioned psychiatric examination nor have I been committed to either of the aforementioned institutions for such examination, nor have I been indicted by the Federal Grand Jury.

"I believe that an unnecessary and undue delay has occurred in bringing me to trial, as a result of my reluctance to participate in a psychiatric consultation and/or examination. I believe that this is a violation of my right to a speedy trial as guaranteed to me by Amendment 6 of the Constitution.

"In relation to the foregoing statement, I believe that I, as an accused person, am not required by law to emit any statement or to answer any questions, whatsoever, to any person, whomsoever, including a psychiatrist, psychologist, or physiologist, nor that I am required by law to participate in any examination, test or activity, verbal, written or otherwise, if I do not so elect. To be coerced to do so, is a violation of my rights under Amendment 5 of the Constitution.

"An attempt has been made to indirectly coerce me to incriminate myself, by a court appointed psychiatrist known to me as Doctor Bennett, in that he queried me as to my motive for committing the alleged offense and stated to me that if I did not give him such information, I was being uncooperative, and that I might have to be sent to Springfield Medical Center, if I did not cooperate with him.

"I further believe that I am being coerced into taking a psychiatric examination and/or consultation by the resulting undue delay in bringing me to trial.

"I have read this statement consisting of this and 3 other pages, and it is true and correct.
