E. Germany Frees U.S. Ex-Officer

BERLIN, Oct. 24 (AP)—East Germany has released a former U.S. Army captain it held for four months.

Informed sources said Richard Case Nagell, 38, was delivered at a border-crossing point between East and West Berlin yesterday in the presence of East Berlin attorney Wolfgang Vogel; attorney Ricey S. New of Washington and an official from the U.S. Mission in West Berlin.

A U.S. spokesman said Nagell left by plane today for the United States. Nagell was described as a Californian and a former U.S. Army captain who left the service in 1959. In 1954, he was the sole survivor of an airplane crash near Friendship Airport that killed five servicemen.

Informed sources said Nagell was taken off a train by the East Germans four months ago while he was on his way from West Germany to West Berlin through East Germany. Apparently he made some remarks which the East Germans considered derogatory, the sources said.

Arrangements for Nagell's release were handled by Vogel, New, West Berlin attorney Juergen Stange and various government officials, the sources reported.

The U.S. Mission had not disclosed that Nagell was being held. He was not brought to trial and appar-

ently no specific charges were brought against him, the sources added.

He was reported in generally good condition on his release.
