IN REPLY REFER TO: N

Mr. Harold Weisberg  
Coq d'Or Press  
Route 7  
Frederick, Maryland 21701

Dear Mr. Weisberg:

This is in reply to your letter of November 25, 1967, concerning records of the Warren Commission.

There has not been and will not be any reexamination of documents you select for copying simply because you select them. A few memoranda that are withheld from research were in one box which you examined. This is not true of other boxes you have examined or may examine in the future. We will furnish you copies of all records in these boxes.

The Liebeler-Griffin memorandum of September 25, 1964, is one of three memoranda you have requested that are withheld from research.

Your previous requests have created the impression that you have customarily listed material in which you are interested, including material of which you were requesting copies. The listing procedure suggested in our letter of November 15 was a request, not a regulation. There are no memoranda dated July 22, 1964, from Norman Redlich to Wesley J. Liebeler in the records of the Commission. A copy of the letter of that date from Mr. Redlich to Mr. Liebeler has been furnished to you.

Sincerely yours,

Robert H. Bahmer  
Archivist of the United States
